

# Commercial Proposal

**Invoice no:** DR20240626

**Date:** June 26, 2024

*THE BUYER*

**EZRAPAL PROJECT MANAGEMENT AND CIVILS CC**

**VAT: 4460247184**

**TAX NUMBER:9215733164**

**LOCATION: South Africa**

**CONTACT:** Thomas Ravhidziwa

**TELEPHONE:** +27 81 521 0739

Hereinafter referred to as the Buyer

*THE SELLER*

**Henan Dourry Intelligence Equipment Co., Ltd.**

**LOCATION:** High-tech Zone, Zhengzhou, Henan Province, China

**TELEPHONE:** +0086 18768866269

**EMAIL:** lydia@dourry.com

Hereinafter referred to as the Seller

It is mutually agreed upon that the Buyer wishes to buy and the Seller agrees to sell the following commodity under the terms and conditions stipulated here.

## I Quotation, quantity and total price

Function	Name	Model	Qty	Unit price	Specifications
				(SA RANDS)	
cutting	CNC plasma flame-cutting machine	CNC/GDZ-4000	1 set	R341 714.10	4m gantry, 15m rails, 2 CNC cutting torches, 11 strip cutting torches, with auto

					<p>ignition and auto height regulator, <b>SF2400 CNC control system</b>, including Australia Nesting software FASTCAM ,double driven.</p>
<p><b>assembly</b></p> 	<p>H beam manual assembly machine</p>	<p>HZJ-0820</p>	<p>1 set</p>	<p><b>R439 416.90</b></p>	<p>height of H-beam web 160-2000mm width of H-beam flange 150-800mm Automatic centering, hydraulic control. If add automatic spot-welding, PLC control, add CNY20000.</p>
	<p>H beam gantry welding machine</p>	<p>LMH-5000</p>	<p>1 set</p>	<p><b>R341 768.70</b></p>	<p>Equipped with 2 sets of submerged arc welding machines. height of H-beam web 160-2000mm width of H-beam flange 150-800mm length of H-beam: 2-15m</p>
<p><b>welding</b></p> 	<p>H beam cantilever welding machine</p>	<p>SXBH-20</p>	<p>1 set</p>	<p><b>R357 814.60</b></p>	<p>Equipped with 2 sets of submerged arc welding machines. height of H-beam web 160-2500mm width of H-beam flange 150-800mm</p>

					length of H-beam: 2-15m
<b>straightening</b> 	H beam flange straightening machine	YJZ-60C	1 set	R487 383.00	Flange width: 150-800mm Flange thickness: 6-60mm ( material Q235 ) Min height of web: 160mm
	shot blasting machine	HGP1020	1 set	R975 234.00	Separator, dust removal system and electronic control system, including shot blasting chamber body, impeller power 11kW*8pcs. Size (width x height): 1000x2000mm Length: 3000-15000mm
	Electric Single Girder Crane	Span12000	1set	R164 914.20	For structural steel and pipes for about 10 tonnes and 4.5m height for 12 00m span
Total Price			7set	R3 108 245.50	

**Remarks:**

1. Power : 3 phase, 380/415V, 50/60HZ.
2. Payment: 30% by T/T in advance, balance T/T before shipment;

- 3. Delivery: 45 days after receiving down payment
- 4. Warranty: one year covering manufacture defects, but excluding consumables.
- 5. Quotation period of validity: 30 days
- 6. Installation & Commissioning

If the Buyer need the Seller to send engineers for instruction of installation & commissioning, after receiving the written form from the Buyer which states the Buyer has finished all preparation according to the foundation drawings provided by the Seller, the Seller then send out engineers. The Buyer should pay for the round tickets (starting from Shanghai), hotel, restaurant, and inland travel in the Buyer' s country. A USD 100 /day salary per engineer is for the Buyer' s account. The Buyer should also provide a Chinese interpreter to offer assistance for the Seller' s engineers if needed."

**III THE SELLER’S BANK INFORMATION**

**Beneficiary Name:** Henan Dourry Intelligence Equipment Co., Ltd.

**Beneficiary Account Number:** 4105 0167 9008 0000 1459

**Swift Code:** PCBCCNBJHAX

**Country/Region:** China

**Beneficiary Bank:** China Construction Bank Zhengzhou Wenbo Branch
